

On a Roll.

Strategically positioned to serve Mexico's manufacturing base.

At Severstal Columbus, our capacity to produce a wide range of steel is matched by a unique ability to respond and deliver to Mexican manufacturers. With the newest and most technologically advanced steel mill in North America and a remarkably accessible location, Severstal Columbus is ready to roll for you.

Contact us toll-free by phone at 866-369-3047 or online at www.severstalms.com.
