

Success is Golden.

Proud to call the “Golden Triangle” home.

Named as one of the best places to work in Mississippi in 2009, Severstal is proud to call this region home. Our strength is international, but our service is refreshingly local. Because we’re based right here in Lowndes County. Home of the most technologically advanced steel mill in the U.S. and the people that make it run. We think it’s a combination that works. And that’s why we’re here to stay.
